

PREPARATIONS FOR THE FINAL PRACTICAL EXAM ON ANATOMY FOR MEDICAL STUDENTS

Map of Preparations for the Practical Exam – Anatomy 1 st year			
preparations	stations*	points on one station	total points
Bones	1	2	2
Joints	2	2	4
MVN upper limb	3	2	6
MVN lower limb	3	2	6
Skull	2	2	4
Nervous system	9	2	18
Microscopic slides	3	2	6
	23		46

Students with grade 2 in one of the two semesters will write 70% on Gross anatomy and 70% on microscopic part – or 28 on gross anatomy and 4 on microscopic!

If the grades are higher during the two semesters students write 60% (24 pts) on gross anatomy and 60% (3 pts) on microscopic!

Less results on one of the two parts means that practical is not passed!

Map of Preparations for the Practical Exam – Anatomy 2 nd year			
preparations	stations*	points on one station	total points
Cadaver	6	2	12
Heart	2	2	4
Lungs and bronch. tree	1	2	2
GI organs, spleen	3	2	6
Male reproductive sys.	1	2	2
Female reproduct. sys.	1	2	2
Urinary sys.	1	2	2
Microscopic slides	7	2	14
	22		44

Students with grade 2 in one of the two semesters will write 70% on Gross anatomy and 70% on microscopic part – or 21pts on gross anatomy and 10pts on microscopic!

If the grades are higher during the two semesters students write 60% (18 pts) on gross anatomy and 60% (8 pts) on microscopic!

Less results on one of the two parts means that practical is not passed!

*On each station you get one minute to find and write you decision!
